

Five alive article

We've had a fabulous couple of weeks!
We had a brilliant school wedding in celebration of the royal wedding. The wedding was of Carrigan and Todd. It was so real like it was a real wedding. Carrigan wore a beautiful white dress with butterflies on it but it's a shame it was spoilt by the massive chocolate fountain when we came back for the buffet and Todd wore a wonderful smart suit with a flower in his pocket. There were hymns, rings, flowers and a fantastic buffet that the brilliant staff prepared; all the children were amazed at the sight of it!

We are so lucky to have such fantastic staff they work for hours and hours trying to let us have a great time. None of the children realize how much effort the adults put in for us. On the day before the school wedding they were here for hours blowing up balloons and sprinkling glitter along the tables and just making it absolutely perfect, then after the day of the wedding they were here putting it all away and getting ready for walkabout which was the very next day!
They all do so much!
